Provide a detailed description of why you are purchasing this service:

Indemnification. Customer hereby agrees and covenants as follows:

To indemnify, protect, defend, and save harmless Scott Woodruff and Bluegauges.com (hereinafter collectively referred to as "Bluegauges") from and against any and all damages, losses, liabilities, obligations, penalties, claims, charges (civil or criminal), prosecutions, indictments, litigation, demands, judgments, suits, actions, proceedings, costs, disbursements and expenses (including without limitation, attorneys' and experts' fees, expenses and disbursements) of any kind or nature whatsoever which may at any time be imposed upon, incurred by or asserted or awarded against Bluegauges relating to, resulting from, or arising out of (i) the repair, maintenance, sale and/or recalibration work performed by Bluegauges and (ii) enforcement of this agreement. This agreement is without limitation as to time or geographical location.

Confidentiality. Customer hereby agrees and covenants as follows:

Customer hereby waives any and all rights to confidentiality of this transaction including but not limited to service agreements, repair orders, invoices, charge card/ETF/Paypal transactions, customer and vehicle identification information provided on this and any other transactions with Bluegauges

Customer hereby authorizes Bluegauges at its sole discretion to provide any information, written or otherwise, to any governmental agency requesting same.

Customer also acknowledges that Bluegauges will, at it's discretion, cooperate with any and all governmental investigations, including civil, criminal and/or regulatory investigations, *and that Bluegauges may, at its sole discretion, willfully and completely cooperate with any governmental agency and provide documents even in the absence of a subpoena or other civil or criminal process.*

I certify that the supplied information is true and I will not use this service to commit fraud.
I authorize BLUEGAUGES.COM to copy/reprogram the gauges enclosed according to the information provided above. I also have provided all required documentation.
